THE FRIDGE PERFORMANCE ARTS HUB FOR THE CITY

Reflecting the city's dynamic interchange of cultures and ethnicities, The Fridge plays an active role in the growing performing arts and music scene in the region with the provision of world-class entertainment. Delighting locals and visitors, The Fridge is renowned for its' rich and diverse programming which includes The Fridge Concert Series, hosted in an inspiring warehouse space in Alserkal Avenue, and the international classical concert series The Score. (www.thescore.ae) Founded in 2007, The Fridge is the only music management company in the region that actively engages regional talent as well as international, generating a lifecycle from development to performing and recording. The Fridge creates and produces some of the Middle East's most iconic events as well as playing host to a mix of performance and art related events for all ages and nationalities. For information on The Fridge's exciting and progressive calendar of events.
